

NEW 3/4" AND IMPROVED 1" CUTTING POWER

**CUTS 6X FASTER THAN COMPETITION**

**SEWER JETTING**

# BLOCKAGES FEAR IT

Eliminate roots, FOG, and the toughest blockages in fewer passes with the Reaper's cutting power. Designed to hit specific angles that cut faster to save you time and money.

**DURABILITY THAT OUTLASTS THE COMPETITION**

MUNICIPAL SEWER PIPES

COMMERCIAL DRAINS

RESIDENTIAL DRAINS

**SEE IT IN ACTION!**

**CUTS 6X FASTER**

6-18" PIPES

4-10" PIPES

4-8" PIPES

3-6" PIPES

2-4" PIPES

**AVAILABLE IN SIZES FOR EVERY PIPE**

**HYDRA-FLEX**  
FLUID INNOVATION

**FRONT ROTOR AND REAR JET REPAIR KITS AVAILABLE – CONTACT YOUR LOCAL DEALER TO PURCHASE**

\*For 1" Reapers purchased before 03/24 reference the following part number when ordering Rotor Repair Kits for the 40.0, 60.0, and 80.0 - SAP#20022408.

3/8" Reaper: 24-degree | 1/4", 1/2", 3/4", 1" Reapers: 30-degree

### THRUST POWER

The Reaper simultaneously cleans in cleans with a powerful rotating front stream the cuts through blockages and back jets that propel the nozzle forward and flush the pipe.

Feed the nozzle all the way to the blockage. Once there, pull back the hose (6"-12" depending on pipe size) and attack the blockage. This ensures the front stream hits the full pipe diameter for max clearing power.

### FULLY FIELD-REPAIRABLE

Repair kits available to get you back up and running in about 10 minutes without leaving the job site.
